

header-desktop

The diagram illustrates a desktop header layout within a light blue rounded rectangle. A large salmon-colored rectangle represents the header area. Inside this rectangle, on the left, is a yellow rounded rectangle labeled 'logo'. On the right is a light green rounded rectangle containing a yellow rounded rectangle labeled 'utility-link'. Below the salmon rectangle is a pink rounded rectangle labeled 'top-level-navbar' on its left side. This pink rectangle contains four blue rounded rectangles arranged horizontally.
